Deaf Sunday

The Deaf are a neglected people group all around the world. It has been estimated that there are 1,040,000 Deaf living in the Philippines. Praise the Lord for the Deaf Ministry that was started years ago at Mt. Apo Baptist Church. The Deaf church signed a song for us during *Deaf Appreciation Sunday*. Seeing them helps members to be aware of this important ministry, and we are reminded of the necessity of evangelizing the Deaf world.

Soul-winning at the Plaza

The city plaza is a place where many people congregate in the evenings after school or after work. It's a great place to go witnessing! For a couple of months now, we've been taking a group of college students and adults on Thursday evenings to pass out *John and Romans* and tracts.

In this picture, Melanie is witnessing to a young girl who accepted Jesus Christ as her personal Savior.

Family News

“Octoberian” is a Filipinized term meaning “*graduating at the semestral break*”. It allows students to finish college after the first semester if they have completed all their course requirements, not having to wait until the second semester to graduate.

Melanie began Bible college classes during her senior year in high school, and she completed a three-year music course in October. She graduated as valedictorian and also received the *Christian Character Award*, an award given to the most outstanding student and voted upon by the faculty and staff. She plans to continue her study of music theory through ABRSM (Associated Board of Royal Schools of Music), and she will continue her study of piano with her Yamaha teacher.

We are blessed to have our son Stephen and his family with us for a few months! They are here for missionary internship. We'll be going back to the US with them in mid-December for our six-month furlough.
