

THE WARNEKES

SALT LAKE CITY, UT

March 31st, 2021

Dear Supporting Pastor and Church,

The month of March has flown by quickly. It is hard to believe we find ourselves starting the month of April, but here we are. God continues to bless our church. The past three months we have had 6 baptized, and our attendance continues to grow. We are praying that we will see people get more involved, and begin to serve the Lord.

Many of you know that our church is on a main intersection at an expressway here in Salt Lake City, and this is a great location. Unfortunately, I knew when I became pastor that they will be widening the expressway, and we will in the next couple of years have to relocate our church. This presents many decisions that we will soon have to make. It keeps us in a hard place, since we see many things that need updated or fixed here at the church, but we do not want to be unwise and put money into the building that will have to be torn down in the next 2 years. Still we want the Lord's house to look nice for Him. We have started doing landscaping and some little things that help the appearance of the church, without a major cost.

We would like to thank all of you that prayed for the church in Ogden that needed a pastor. Unfortunately we had to ask the previous pastor to leave for some major doctrinal changes he began to make. We also found that the mortgage had not been paid in three years, and that there were other outstanding bills. For that reason we did not know what to do. The church had been buying it from the owner for many years, but stopped paying three years ago. Only by God's grace did they not foreclose on the building. I was able to chat with the owner and she agreed that if we just pay the past three years lean on the building we could just have it and not pay any more on it. Praise the Lord we were able to come up with the money and we were able to save that building. Not only that a preacher that had been raising support to come to the area is excited to take the work and get it going again! It is always fun to be a part of what God is doing, to see Him in the whole situation has been awesome to see!

We would like to thank you for your many prayers and support for our family! May God bless all of you for your many sacrifices!

-Josh, Renee, Luke, Micah and Josiah Warneke
