

BAPTIST AMBASSADORS FOR CHRIST

“We are ambassadors for Christ” II Cor. 5:20

Dear Pastor & Friends:

February-March, 2020

The Lord has blessed in a special way in the local church ministry during the past several weeks. On Sunday March 1 we had **82 in Sunday School** - a new record for just a normal Sunday. We have had to put out extra chairs the past three weeks to accommodate the people. Some of those who have a tendency to get to church late are coming early to be able to find a seat!

Work is moving forward at **camp**. Thanks to several who have sent special offerings to help with this ministry. There is still a **real need to make more repairs** so if your church would still like to help, it would be much appreciated. We had our annual camp meeting in February and have set the dates for the **5 weeks of camp** this summer during July and August. So please begin to pray as the decisions have to be made about who will direct each camp, who the counsellors and cooks will be etc. Jack and Joy are the camp coordinators and most of this planning falls on their shoulders.

We have spent a lot of time the last few weeks with **doctor appointments**. I have to repeat a **colonoscopy** this weekend. Carolyn had a date to close the **fistula** where she received dialysis before her transplant 7 years ago. It now has an aneurism. Before they could do the surgery that day, they closed down the operating room! So she is awaiting a new appointment. In the Madrid area, they are only doing surgery now for emergencies due to the coronavirus outbreak, so we are not sure when that will be.

We would like to ask special prayer for **Lila**, one of the ladies in our church. Her sister in the USA is on dialysis and Lila has offered to **donate to her one of her kidneys**. She has plans to travel to Emory Hospital in Georgia the first week of April for the transplant. However the ban on travel from Spain to the USA can change all this. God knows. Also Carolyn's sister Nora is now on dialysis. She and Carolyn share the same Polycystic Kidney Disease. Nora will be 89 in March and she also needs your prayers during this difficult time.

Thank you for working with us for **souls in Spain**.
