Dear Pastor & Friends:

October, 2024

A lot has been going at the Guadalajara church the past few weeks. We have had a lot of **fun** plus received a lot of **blessings**. There were **6 converts** who followed the Lord in baptism. The first 5 on the left gave testimony of how the Lord had spoken to them during camps and of their desire to follow through on all their decisions. The man on the right will be married soon to the young lady we had the shower for. We welcome **André and Débora** as new members. We continue to see the impact of the camp ministry in our own church and also other churches who cooperate. That is the **sole purpose** of camps. After several weeks of health problems, I had a gastroscopy done and they found a hyatil hernia plus a form of Gastritis. After some more dietary changes I am feeling much better. God is able!
