Dear Pastor & Friends:

Aug.-Sept., 2019

We were overwhelmed with all the letters, cards & calls we received after our last prayer letter. They mean so much to us when we are passing through dark valleys. Thank you for caring.

Camp season is over for this summer. Physically we were unable to participate, but we were able to visit several times during the five weeks. Just being able to be there and see what God was doing was a tremendous blessing. Enjoyed being with the different pastors and missionaries (here with Kent Albright who was married to our daughter Connie and faithfully serving in Spain.)

It was decided to add another week of camp this year with a shorter version and for singles, 20-35. We were pleasantly surprised to have 71 on the list. Our over-all attendance for the summer was 422 campers and 32 public professions of faith. The Gospel was preached and His Spirit moved and God gave the increase. That was our purpose and goal and God graciously answered our prayer. Thank you for praying

One of the men in our church is a physical education teacher in a local high school. He spent part of his vacation time giving classes on volley ball and basketball to some of our young people and also kids from the church neighborhood and had around 18 kids that came to learn. We pray we can see future fruit from his efforts.

We would like to tell you that the health issues are over, but that is not true. During the past several weeks, I have experienced numerous falls and other incidents. Many people think Parkinson's Disease is an uncontrolled shaking in the body, but we know first hand that it is much more than this. God is sustaining me and helping me to keep going. Your prayers are needed and appreciated as always.
