Dear Friends,

My how this year has flown by! Here we are at Thanksgiving with Christmas just around the corner. This year I've seen once again that God has been faithful and is still in the business of changing hearts and lives!

I'm happy to say that in Venezuela they were able to have the ladies' camp again this year. In spite of all the difficulties in that country, the people are still able to gather and the Gospel is still being preached. In Spain a new building has been purchased that will be able to accommodate more people! A lot of work is being done to get it ready for use by the end of the year. The money has gloriously been provided but they are waiting on the building permit before they can finish. Please pray with them about this matter.

I'm thankful that God has given me another year of life to serve Him! Because of the political situation in Venezuela, I am unable to go there but God has opened the door for me to go back to Spain where my daughter and her husband are serving. I will be leaving on the 5th of December and spending three months there. Please pray for me as I travel and that God will use me while I'm there.

Thank you all for being so faithful in your prayers and your giving! I pray that you all will have a wonderful and blessed Holiday season!

Love in Christ,
